All employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the organisation.

### Our Commitment:

In October 2020 BPG became an Employee Owned company, this shows that the board recognise the value of all its employees and their contribution to the success of the business. The transition means stability for the company, whilst the new business format will allow new directors to be appointed from within the practice to develop and sustain the business into the future. We are proud of the fact that one-third of the current Board of Directors is female, along with our two Associate Directors.

The diversity of the practice is illustrated below:
